Thanks Lew. I just signed. With this email, I'm passing it to Jackie who will send it to Greg after she signs. Jackie is collecting canisters, so it will probably be an hour or two before she is able to logon.

Hi Michael:

Please sign this version of the EtO QAPP that I have signed as well. Then it's Jackie – Greg – Doris. According to Jenia's message, Jackie will need a text heads up.

Lew,  
Attached is the final EtO QAPP that I have digitally signed. Please sign digitally and forward to Michael Compher for signature. I will text him to let him know it will be coming soon so he can log on. Please ask him to next send it to Jacqueline Nwia – with the additional request for him to text her at 847-338-2774 so she knows it's coming. Once she has signed it, please have her forward to Greg who can then send it to Doris. Then she can post it. Note I did not make it 508 compliant.  
Please let me know if you have any questions or problems.  
Thanks,  
Jenia
